

It is my understanding that FM translators such as those used by K-Love radio may be forced off the air due to an FCC LPFM ruling. I have seen the effect K-LOVE radio has had on people and I myself have been greatly affected by the positive Christian programming offered by this station. K-LOVE has sponsored several local concerts I have attended and enjoyed greatly. I feel there is a great need for stations of this caliber that are influencing our youth in a positive way. This nation was founded on the Christian principles K-Love encourages and I feel they should not be jeopardized. Thank you.
